## Task list:

### **1\* (obligatory). Participation in at least one group or individual course at the KLUB DIALOGU School.**

We count the period from January 2024 to June 2024. The number of hours is not relevant. We simply want you to feel the atmosphere of our school.

### **2\* (obligatory). A video with wishes for the KLUB DIALOGU School.**

It's our Birthday! We are very curious what you think about us and what you wish us for the future. Video length should be up to 30 seconds. Your video will be shown during the Birthday Party.

### **3\* (obligatory). Participation in at least 2 editions of the QUIZ 'SCHOOL CHALLENGE'.**

Throughout 2024, 6 editions of the QUIZ 'SCHOOL CHALLENGE' will be published. You will find them on FB ([www.facebook.com/klubdialogu/](https://www.facebook.com/klubdialogu/)), IG ([www.instagram.com/klubdialogu/](https://www.instagram.com/klubdialogu/)), e-mail, in our Newsletter, and on our website. They will be available in February, March, April, May, September, and October. Don't miss it! Follow our social media.

### **4\* (obligatory). Let's get to know each other! Introduce yourself to us! 😊.**

How? Come to school or connect online with the School Methodist. Say a few sentences about yourself in Polish. We know it can be a challenge, especially when you're just starting out, but you can definitely say your name, where you're from, what language you speak, and what you like to do 😊.

### **5\* (obligatory). Project 'Me as a 20-year-old'.**

The project can be in any form. It is best to prepare it on a piece of A5 paper, where you put a photo of yourself when you were 20 years old and write a few sentences - in any language - what you did then, what your passions and interests were. Your project will be presented at the School.

### **6. Your favourite Polish word.**

Write it to us in an e-mail, or on a piece of paper at school, or tell us in person. You can do it in any form. We are curious what Polish word you think is the most interesting. Or maybe you have a story about the word? The most interesting words will be published on the School's FB and IG.

### **7. The most difficult Polish word.**

Write it to us in an e-mail, or on a piece of paper at school, or tell us in person. You can do it in any form. We are curious what Polish word you think is the most difficult. Which is the most difficult to write? To pronounce? Share it with us. The most interesting words will be published on the School's FB and IG.

### **8. A recipe from your national cuisine.**

Write us a recipe for a specialty from your national cuisine. Or maybe even bring us something to try? That would be really nice 😊. The most interesting recipes will be published on the School's FB and IG.

### **9. Your review of the School on Google.**

It's wonderful to read opinions, especially when they are nice and positive 😊. Of course, be honest and write what you think. Oh, and remember, the general rule in KLUB DIALOGU is that for each opinion posted on Google (<https://goo.gl/0d6Ely>) and (simultaneously) on FB ([www.facebook.com/klubdialogu/](https://www.facebook.com/klubdialogu/)) you will receive a PLN 50 discount on your Polish language course. This is regardless of this competition.

### **10. A Valentine's Day card or another greeting card.**

Everyone loves receiving cards. Especially on birthdays or Valentine's Day. Send us a Valentine's Day card or other greeting card by post or bring it to school. We would be delighted! 😊

**11. Easter egg.**

Easter is a time to make decorations. This is a Polish tradition. Maybe you would like to try too? Make your own Easter egg (an egg painted or decorated in any way). Bring it to school and it will definitely be included in the Easter basket.

**12. Teacher presentation.**

We know that some people love their teachers. This makes us so happy. Tell us about it or write to us. You can present it in any form. Just let us know why your teacher is so unique 😊.

**13. How do you spend your May weekend ('Majówka')?**

At the beginning of May in Poland there are two holidays next to each other, so it's a long weekend. A lot of people go out of town or organize picnics. Do you know what you will be up to during this time? Write us a few sentences about it.

**14. Homework with instructions.**

I'm sure you have a lot of homework during your course. That's good! This is extra language practice. Do the selected (any) homework and send it to the competition address [klubdialogu2004@gmail.com](mailto:klubdialogu2004@gmail.com) - not only will you 'pass' the competition task, but you will also receive your homework corrected and graded. That's a way to kill two birds with one stone!

**15. A famous person from your country.**

A politician, actor, or reality star for example? Write a few sentences in Polish or English and be sure to write your opinion about them.

**16. Classrooms at the KLUB DIALOGU School.**

Do you know what our school looks like? How many classrooms does it have? Do you know their names? Write us an e-mail with the names of at least 3 rooms in our school. Or maybe you know where these names originated from?

**17. Reading texts on our BLOG.**

The KLUB DIALOGU School not only teaches Polish. It also prepares a lot of other learning materials and interesting facts about Polish culture and tradition for its students. You can find all this on our website in the BLOG section. Tell us what text or article you have recently read. Was it interesting? Helpful? Did you learn something new? We are very interested in your opinion!

**18. Decorations at the School.**

One of the elements of the Jubilee Year is changing the look of our School with new decorations. Do you remember a new decoration we have? Can you describe it?

**19. Learning program from A0 to B1.**

As you have probably noticed, learning Polish is a long-term process. Do you remember how many modules/courses there are from level A0 to B1?

**20. Like our FB page and follow KD's Instagram profile.**

There is a lot going on on KLUB DIALOGU School's FB and IG profiles. Here you will find posts with new words, explanations of interesting concepts or descriptions of interesting events. It's worth following us. Especially in the Jubilee Year 2024, because there will be a lot going on!
